2010	Naval Hospital Lemoore
2010	Pulmonary/Critical Care Fellowship
2009	Naval Hospital Lemoore
2009	Naval Hospital Yokosuka
2009	Pulmonary/Critical Care Fellowship
2009	Naval Hospital Charleston
2009	Office of Attending Physician to Congress
2009	Cardiology Fellowship
2009	Naval Hospital Beauford
2009	Naval Hospital Yokoska
2009	Operational Billet Afghanistan
2009	Naval Hospital Pensacola

Fellowship Training at NNMC/USUHS/NCC

- Cardiology
- Gastroenterology
- Pulmonary
- Critical Care
- Nephrology
- General Internal Medicine/MPH
- Endocrinology
- Rheumatology
- Hematology
- Oncology
- Infectious Disease
- Allergy/Immunology

Housestaff Research

- Potential to present at national conferences
- Dedicated research track for PGY 2 and 3 years for interested residents
- Affiliations with USUHS and NIH/NCI

Resident Research: Where our residents have presented their research?

- National American College of Physicians
- Navy Chapter American College of Physicians
- D.C. Chapter American College of Physicians
- Society of General Internal Medicine
- Chest Conference
- Endocrine Society
- Infectious Disease Society of America

Recent Faculty Publications

- New England Journal of Medicine
- Cardiology
- Archives of Internal Medicine
- Emerging Infectious Disease
- American Journal of Gastroenterology
- Annals of Internal Medicine
- Clinical Infectious Disease
- Thyroid
- American Journal of Medicine
- Journal of General Internal Medicine

Graduate Board Pass Rates

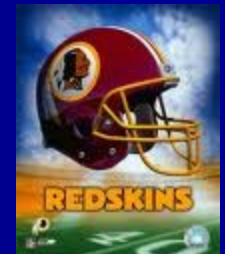

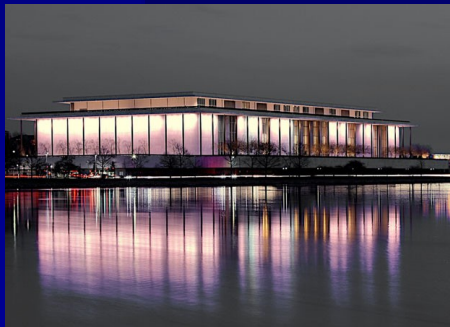

- 100% board pass rate for graduates of the NNMC Internal Medicine Residency for 2006, 2007, 2008 and 2009
- 40 out of 40 graduates certified by ABIM

Washington DC Metropolitan Area

- Museums
- Wide range of dining options
- Exciting nightlife
- Professional sports teams
- Outdoor opportunities
- National Landmarks
- Excellent public transportation
- Easy access to NYC, Philadelphia, Boston

Washington DC Metropolitan Area

Cost of Living

- Wide range of housing options
- Metro Check Program
- Hospital is metro accessible (Medical Center Stop)
